OZONE SKYE
GOREGAON (WEST)

Boman Rustom Irani

CHAIRMAN & MANAGING DIRECTOR,
RUSTOMJEE

The true measure of a home is: how often it brings family together.

For nearly three decades, every Rustomjee home has begun with the same question: how will a family live here?

The answer has shaped townships, gated estates and landmark residences across Mumbai. Homes designed around kids finding the space to be kids, in the concrete jungle. Parents finding a little more balance. That thinking has guided over 19,000 families across the city.

It inspired Ozone. It shaped Elanza.

And today, it returns to Goregaon with Ozone Skye, a new landmark that takes the Rustomjee promise a little higher.

Nearly fifty storeys above the city, with the sky as your neighbour and everything you need at your doorstep, Ozone Skye is designed to bring together everything we've learned about thoughtful living.

Three decades of thinking
about family. One legacy of
thoughtful living.
